INDEPENDENT AUDITORS' REPORT

**Board of Directors
Sumner County Educational Services Interlocal District 619
Wellington, Kansas**

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of **Sumner County Educational Services Interlocal District 619, Wellington, Kansas**, as of and for the year ended **June 30, 2014** and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the *Kansas Municipal Audit and Accounting Guide* as described in Note 1 to meet the financial reporting requirements of the State of Kansas. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and the *Kansas Municipal Audit and Accounting Guide*. Those standards require we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on auditors' judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Education
Sumner County Educational Services Interlocal District 619

Basis for Adverse Opinion on Accounting Principles Generally Accepted in the United States of America

As described in Note 1 of the financial statement, the financial statement is prepared by **Sumner County Educational Services Interlocal District 619, Wellington, Kansas**, to meet the requirements of the State of Kansas on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on Accounting Principles Generally Accepted in the United States of America

In our opinion, because of the significance of the matter discussed in the "Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles" paragraph, the financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of **Sumner County Educational Services Interlocal District 619, Wellington, Kansas**, as of **June 30, 2014**, or changes in financial position and cash flows thereof for the year then ended.

SUMNER COUNTY EDUCATIONAL SERVICES INTERLOCAL DISTRICT 619
NOTES TO FINANCIAL STATEMENT
JUNE 30, 2014

Note 1 - Summary of Significant Accounting Policies:

Financial Reporting Entity

Sumner County Educational Services Interlocal District 619, Wellington, Kansas, represents a District established under State of Kansas statutes. The District was formed through an agreement of five Kansas Unified School Districts (Belle Plaine, Oxford, Argonia, Caldwell, and South Haven) located in and around Sumner County, Kansas to meet special education requirements at the primary and secondary levels. The District is governed by a Board of Directors comprised of one member from each member district. The District's financial statement includes all funds over which the Board of Directors exercises financial responsibility. Financial responsibility includes appointment of governing body members, designation of management, the ability to significantly influence operations and accountability for fiscal matters.

KMAAG Regulatory Basis of Presentation Fund Definitions:

Special Purpose Funds-To account for the proceeds of specific receipts (other than major capital projects) that are restricted by law or administrative action to expenditure for specific purposes.

Agency Funds-To account for resources held in a trustee or agency capacity for others which therefore cannot be used to support the government's own programs.

Regulatory Basis of Accounting and Departure from Accounting Principles Generally accepted in the United States of America

The KMAAG regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The District has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of accounting principles generally accepted in the United States of America and allowing the municipality to use the regulatory basis of accounting.

**SUMNER COUNTY EDUCATIONAL SERVICES INTERLOCAL DISTRICT 619
NOTES TO FINANCIAL STATEMENT

Budget and Assessment Cycle

The District prepares a budget under the Kansas cash-basis and budget laws to determine assessment to member districts and other financial planning purposes. Assessments are made in two equal installments.

The Kansas cash-basis and budget laws permit transferring budgeted amounts between line items within an individual fund. However, such laws prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the modified accrual basis of accounting, modified further by the encumbrance method of accounting. Revenues are recognized when cash is received. Expenditures include disbursements, accounts payable, and encumbrances. Encumbrances are commitments by the District for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. All unencumbered appropriations (legal budget expenditure authority) lapse at year-end.

A legal operating budget is not required for the following special purpose funds:

Professional Development Fund
Continuous Improvement Fund

Crossroads Academy Fund

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

Note 2 - Postemployment Benefits:

As provided by K.S.A. 12-5040, the District allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the local government is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in the financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the government makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured. There is no cost to the government under this program.

**SUMNER COUNTY EDUCATIONAL SERVICES INTERLOCAL DISTRICT 619
NOTES TO FINANCIAL STATEMENT
JUNE 30, 2014**

Note 3 - Deposits:

K.S.A. 9-1401 establishes the depositories which may be used by the Government. The statute requires banks eligible to hold the District's funds have a main or branch bank in the county in which the District is located and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The Government has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the District's investment of idle funds to time deposits, open accounts and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The District has no investment policy that would further limit its investment choices.

Concentration of credit risk. State statutes place no limit on the amount the District may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405.

Custodial credit risk – deposits. Custodial credit risk is the risk that in the event of a bank failure, the Government's deposits may be returned to it. State statutes require the District's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. All deposits were legally secured at June 30, 2014.

At June 30, 2014, the District's carrying amount of deposits was \$781,853 and the bank balance was \$1,046,489. The bank balance is held by one bank. Of the bank balance, \$250,000 was covered by depository insurance and the remaining \$796,489 was collateralized with securities held by the pledging financial institution's agent in the District's name.

Note 4 - Interfund Transactions:

Operating transfers in accordance with K.S.A. 72-7063 were as follows:

	Professional Development	Crossroads Academy	Total
Transfer from:			
Special Education	\$ 3,823	\$ 297,406	\$ 301,229

NOTES TO FINANCIAL STATEMENT

Note 5 - Compensated Absences:

All permanent full-time employees are eligible for vacation and/or sick leave benefits in varying annual amounts depending on position and length of service.

It is the policy of the District to record vacation and sick leave benefits as expenditures when paid.

Note 6 - Contingencies:

Grant Programs

The District participates in various federal and state grant programs. These grant programs are often subject to additional audits by agents of the granting agency, the purpose of which is to ensure compliance with the specific conditions of the grant. Any liability for reimbursement which may arise as a result of these audits cannot be reasonably determined at this time, although it is believed the amount, if any, would not be material.

Risk Management

The District is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The District carries commercial insurance for all risks of loss. Settled claims resulting from these risks have not materially exceeded commercial insurance coverage in any of the past three years.

Medicaid Payments

The District submits reports of time for providing medical services to children with disabilities to a third party. The third party reviews the reports and files claims for Medicaid reimbursement. Medicaid then pays the third party based on Medicaid's determination of allowed payment. The third party retains a percentage of the payment based on an agreement with the District and remits the remainder approximately monthly for the previous month's claims. Due to adjustments made by both the third party and Medicaid, the actual amount to be received by the District is undeterminable and has not been recorded. It will be recorded as received.

Note 7 - Subsequent Events:

The District has evaluated subsequent events through December 18, 2014, the date which the financial statement was available to be issued.

SUMNER COUNTY EDUCATIONAL SERVICES INTERLOCAL DISTRICT 619
NOTES TO FINANCIAL STATEMENT
JUNE 30, 2014

Note 8 - Defined Benefit Pension Plan:

Plan Description

The District participates in the Kansas Public Employees Retirement System (KPERs), a cost-sharing, multiple-employer, defined benefit pension plan as provided by K.S.A. 74-4901, et seq. KPERs provides retirement benefits, life insurance, disability income benefits, and death benefits. Kansas law establishes and amends benefit provisions. KPERs issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to KPERs (611 S Kansas Ave., Suite 100, Topeka, KS 66603-3896) or by calling 1-888-275-5737.

Funding Policy

K.S.A. 74-4919 establishes the KPERs member-employee contribution rate at a minimum of 4% of covered salary. Member-employees' contributions are withheld by their employer and paid to KPERs according to the provisions of section 414(h) of the Internal Revenue Code. The State of Kansas is required to contribute the remaining amount necessary to achieve the actuarially determined contribution rate. Kansas contributed 11.12% of covered payroll for the year ended June 30, 2014. These contribution requirements are established by KPERs and are periodically revised. Kansas contributions to KPERs for all Kansas public school employees for the years ending June 30, 2014, 2013, and 2012 were \$361,575,393, \$323,067,383 and \$293,635,383 respectively, equal to the required contributions for each year.

Note 9 - Leases:

The District entered into a lease agreement on August 1, 2012, for office space. The initial term of the lease is for five years with a monthly lease payment of \$1,076. Future minimum lease payments under the lease are as follows:

Year ending June 30	
2015	\$ 12,912
2016	12,912
2017	11,836
	<u>\$ 37,660</u>

Expenditures under the lease for the year ended June 30, 2014 were \$12,912.

CERTIFIED PUBLIC ACCOUNTANTS

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE
AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

INDEPENDENT AUDITORS' REPORT

Board of Education

**Sumner County Educational Services Interlocal District 619
Wellington, Kansas**

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statement of **Sumner County Educational Services Interlocal District 619, Wellington, Kansas**, as of and for the year ended **June 30, 2014**, and the related notes to the financial statement, which collectively comprise **Sumner County Educational Services Interlocal District 619, Wellington, Kansas'** basic financial statement, and have issued our report thereon dated December 18, 2014. In our report, our opinion on the financial statement was unmodified based on the prescribed basis of accounting that demonstrates compliance with the cash basis and budget laws of the State of Kansas which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statement, we considered **Sumner County Educational Services Interlocal District 619, Wellington, Kansas'** internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of **Sumner County Educational Services Interlocal District 619, Wellington, Kansas'** internal control. Accordingly, we do not express an opinion on the effectiveness of **Sumner County Educational Services Interlocal District 619, Wellington, Kansas'** internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statement will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Board of Education
Sumner County Educational Services Interlocal District 619

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether **Sumner County Educational Services Interlocal District 619, Wellington, Kansas'** financial statement is free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

Wellington, Kansas**

Report on Compliance for Each Major Federal Program

We have audited **Sumner County Educational Services Interlocal District 619, Wellington, Kansas'** compliance with the types of compliance requirements described in the *OMB Circular A-133, Compliance Supplement* that could have a direct and material effect on **Sumner County Educational Services Interlocal District 619, Wellington, Kansas'** major federal program for the year ended **June 30, 2014**. **Sumner County Educational Services Interlocal District 619, Wellington, Kansas'** major federal program is identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts and grants applicable to its major federal program.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for **Sumner County Educational Services Interlocal District 619, Wellington, Kansas'** major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about **Sumner County Educational Services Interlocal District 619, Wellington, Kansas'** compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for its major federal program. However, our audit does not provide a legal determination of **Sumner County Educational Services Interlocal District 619, Wellington, Kansas'** compliance.

Board of Education
Sumner County Educational Services Interlocal District 619

Opinion on Each Major Federal Program

In our opinion, **Sumner County Educational Services Interlocal District 619, Wellington, Kansas** complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended **June 30, 2014**.

Report on Internal Control Over Compliance

Management of **Sumner County Educational Services Interlocal District 619, Wellington, Kansas** is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit, we considered **Sumner County Educational Services Interlocal District 619, Wellington, Kansas'** internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of **Sumner County Educational Services Interlocal District 619, Wellington, Kansas'** internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weakness may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.
